Dear Parent/Guardian,

Fyzabad Anglican Secondary has implemented an online Student Management System, which will be used for data collection of Student information, Student Check-in, and Exam reports.

All students must have a student's badge, which is scanned on entry to the school's compound. Parents will receive an email indicating that his/her child has logged in at Fyzabad Anglican Secondary. Parents can use this system to monitor their child's attendance at school and to access their child's Mid-Term and End of Term reports.

This Student Portal can be accessed via the school's website <http://fass.edu.tt>, where an instructional video has been posted. Login information for the Student Portal will be provided by your child's Form teacher.

Regards,
