13th March, 2024.

Dear Parents/Guardians,

We hope this letter finds you well. As we prepare for our school's fundraising concert, Talent Fun So 8, themed "The Journey Goes On," we are excited to update you on the practice and rehearsal schedule for our participating students.

The rehearsal schedule is as follows:

- Thursday, 14th March: Form two VAPA students only
- Friday, 15th March: Forms one and three VAPA students only
- Monday, 18th March: All form one students and form five student performers
- Tuesday, 19th March: Whole day rehearsal for all students
- Thursday, 21st March: Whole day rehearsal and costume fittings for all student performers.

On the day of the show, students are required to be at Naparima Bowl by 10:30 am. We kindly request that you ensure your child is equipped with lunch, water, and any necessary items for freshening up before the performance. While the school will provide a light refreshment for performing students, it's essential to have personal provisions as well.

Thank you for your continued support to Fyzabad Anglican Secondary.

Sincerely,

KIZA FELIX-ROBERTS
